

The Village

Charter School

Dear Families,

The Teachers, Administration and Board will soon be working on classroom configuration for the 2026-2027 school year. Each year we put a tremendous amount of reflection, discussion, and love toward determining what is best for each child's social, emotional and academic growth.

Your clarity of commitment to keep your child at the Village Charter School helps us to make the best configuration decision for all our students. Please support us in this process by returning this form no later than **Friday, January 30, 2026**.

**If we do not receive this form by January 30, 2026
your child's space will not be held.**
