Classroom News

Hello, Families!

It was so nice to see everyone who was able to attend Back-to-School Night! I've also updated our class email list, so please let me know if you know of someone who should have received this email but didn't.

The class did an awesome job on our Morning Circle performance! And now we are getting ready for our band debut as The Arctic Foxes this Friday! Please ask your student what they've been working on!

Miss Kristen is leading a mini-unit on traits with our Peer Scholars. She has asked students to go home and ask their families what traits they may have inherited. Have fun with this one!

Our class is also taking a joint field trip to the library with Mr. Matt's class on Thursday, September 17. If your student has a library card, please send it in. I'll keep it safe during our trip. If they don't have one yet, no worries—I'll be picking up applications during our first visit.

~Ashley!
