Classroom News

Hello, Families!

The students had a GREAT week last week, and I was so proud of the hard work, cooperation, and positive choices I was seeing from them! It really showed—not only in how much work they completed, but in their understanding of the material as well. Please encourage your kiddos to keep that same momentum going this week. Let's keep it going!

We are really starting to get the hang of subjects and predicates, as well as the math concepts we've been learning. I'm so proud of the progress I'm seeing!

Thank you to everyone who has signed up for conferences. I can't wait to see you and chat about your kiddos!

One last reminder: if you haven't already, please respond to this email and let me know whether your student needs a booster seat, car seat, or no booster/car seat for our upcoming field trips.

Thank you!

~Ashley!

Wish List

If you haven't already, please sign up for Conferences! Can't wait to see you all!

Other Stuff

Life Skill of the Month: Cooperation!

Student of the Week: Hazel!

The student of the week will be sent an all about me page. Please help support them in turning it in with their homework folder on Friday, as they will present it to the class that afternoon!
